Proceedings of the 9th Chulalongkorn University Veterinary Annual Conference April 1, 2010

Poster presentation

A01 Blood Cytochemical Staining of Freshwater Stingray (Potamotrygon spp.)
N. chansue, J. Tangtrongpiroj, N. Assawawongkasem, A. Sailasuta

A02 Effect of Backfat Loss during Lactation on Weaning-to-oestrus Interval in Sows
P. Tummaruk

A03 The Control of Parturition in Sows by Mean of Tiaprost Trometamol
P. Tummaruk, S. Pornvisetsirikul

A04 Relationship between Age at First Mating and Total Number of Piglet Born per Litter in Gilts
A. Roongsilthichai, S. Koontjaenak, P. Tummaruk

A05 A Comparative study on Pregnancy Rate of Fresh and Frozen Semen by Artificial Insemination in Mares
W. Punquejana, U. Sawangchote, T. Poonsayom, D. Kingnate

A06 The Success of Intra-uterine Insemination using Frozen-thawed Boar Semen in a Swine Commercial Herd in Thailand
S. Supanyarak, W. Worapol, N. Pongklan, P. Chanapiwat, P. Tummaruk

A07 Influence of Body Weight and Average Daily Gain of Replacement Gilts on their Subsequence Reproductive Performance as Sows
P. Cheuchuchart, S. Chatvijitkul, O. Chantarothai, P. Tummaruk

A08 The Extraction of DNA from Paraffin-embedded Uterine Tissues for Detection of Porcine Parvovirus using Nested Polymerase Chain Reaction in Gilts
K. Meunrak, P. Eakpanyakul, S. Khumkan, R. Tantilertcharoen, P. Tummaruk

A09 Distribution of the Immune Cells in the Oviduct of Gilts Culled due to Repeated Breeding
S. Prachantasena, S. Chaiyawong, T. Nanthirudjanar, P. Tienthai, P. Tummaruk

A10 The Effect of Ischial Ostectomy on Urethral Anastomosis in Male Dogs: A Study in Cadavers
T. Sritumyarat, M. Kalpravidh

A11 Avian Influenza Viruses in Live-bird Market from January-June, 2009, Bangkok

A12 Localization of Oestrogen Receptors Alpha (ERα) and Beta (ERβ) within Various Buffalo Ovarian Cell Types
S. Srisuwatanasagul, S. Manee-in, P. Kunkitti, K. Srisuwatanasagul

A13 Brachial Plexus Block with Tramadol and Bupivacaine in Dogs Undergoing Orthopedic Surgery
W. Kunapis, S. Durongphongtorn

A14 Cytotoxicity Concentration of Acyclovir and Clinacanthus nutans (Burm. f.) Lindau. Extract to Koi Fin Cell Line
T. Haetrakul, J. Tangtrongpiroj, N. Suthamnajpong, N. Chansue

A15 Tunica Vaginalis Autograft for Perineal Hernia Repair in Dogs
K. Pratummintra, S. Pankhum, S. Chuthatep, W. Banlunara, M. Kalpravidh

A16 Morphology of Uterine Epithelium in Thai Swamp Buffalo at Follicular and Luteal Phases by Scanning Electron Microscopy
P. Tienthai, K. Saijarengpong

A17 Comparison on the Effect of Tiletamine-Zolazepam and Tramadol Combined with Dexmedetomidine or Xylazine in Cats Undergoing Ovariohysterectomy
A. Chanthawan, S. Durongphongtorn

A18 Effect of Hyperthyroidism on Creatine and Creatine Transporter in Cats
S. Sawangkoon
A19 Fas-L Immunolocalization in Thai Swamp Buffalo Oviduct
   P. Chivacharern, P. Tienthai

A20 Developmental Competence of Cat Embryos Cultured in Different Densities and Numbers
   T. Sananmuang, T. Tharasanit, C. Nguyen, N. Phutikanit, M. Techakumphu

A21 The Effects of Culture Media Types and Embryo Density on Development of Cat Embryos
   T. Sananmuang, T. Tharasanit, M. Techakumphu

A22 Cold Storage of Testicular Cat Sperm Maintains Membrane and DNA Integrity within 24 Hour
   P. Tharasanit, K. Chatdarong

A23 A Comparison of Epidural Analgesic Efficacy of Tramadol-bupivacaine and Morphine-bupivacaine
   Combinations in Dogs Subjected to Stifle Surgery
   N. Bunnag, S. Durongphongtorn

A24 The Relationship of Epidermal Thickness on Body Regions, Age, Sex and Breed in Normal Canine Skin:
   A Preliminary Study
   S. Theerawatanasirikul, A. Sailasuta, C. Suryaphol

A25 Deformity of the Distal Femur in Pomeranians with Patellar Luxation
   C. Soparat, C. Wangdee, S. Chuthatep, M. Kalpravidhi

A26 Effects of Supplementary Vitamin D₃ on Eggshell Quality and Vitamin D₃ Content in Egg of Aged Hens
   Fed Different Levels of Calcium
   H. Plaimast, S. Kiiparkorn

A27 The Study of Vertical Position of the Patella in the Stifle Joint of Normal Small Breed Dogs
   C. Wangdee, S. Chuthatep, C. Soparat

A28 Salivary gland Mucinous Adenocarcinoma with Massive Metastases in a Dog
   S. Tantawet, W. Banlunara

A29 Comparative Study of Temperatures Used in Silicone Impregnation of Porcine Hearts Plastination
   D. Darawiroj, A. Adirekthaworn, S. Srisuwattanasakul, K. Srisuwattanasakul

A30 The Effects of Prednisolone Treatment in Cats with Immune-mediated Hemolytic Anemia
   R. Pusoonthornthum, P. Limlenglert, P. Pornmingmas, A. Rungsipipat, P. Pusoonthornthum

A31 The Virulence of Mycoplasma gallisepticum Thai Isolated in the Challenged Embryonated Eggs
   S. Pakpirojo, S. Wanarattana, S. Mooljuntee

A32 Effect of Tramadol on Isoflurane Concentration during Surgery in Cats
   N. Bunnag, S. Durongphongtorn

A33 Effect of Tramadol on Sevoflurane Concentration during Surgery in Dogs
   C. Wangdee, S. Durongphongtorn

A34 Carry-over Rate of Aflatoxin M1 into Cow Milk during Early Lactation Period
   C. Bantaokul, S. Ruangwises

A35 The Proportion of Smooth Muscle and Collagen in the Cervical Tissue of Bitches during Various Stages of the
   Estrous Cycle and Bitches Developing Pyometra
   K. Chatdarong, P. Linharattanaruksa, S. Sirivaidyapong, S. Srisuwattanasakul

A36 Efficacy of Ivermectin against Microfilaria of Brugia pahangi in Naturally Infected Cats
   S. Chuingpravit, P. Taweethawonsawat

A37 The Investigation of Bacteria in Vagina and Uterus of Bitches with Closed-cervix and Opened-cervix Pyometra
   S. Sirivaidyapong, S. Chottinanukul

A38 Multilayer Human Amniotic Membrane Transplantation for Reconstruction of Corneal Perforation in Dogs
   P. Brikshavana, T. Kanchanachaya

A39 Surveillance of Bartonella Species from Pet Cats in Bangkok by Polymerase Chain Reaction Amplification
of the 16S-23S rRNA Intergenic Region
C. Rodkhum, P. Satranarakun, R. Pusoonthornthum

A40 Comparative Antibody Responses against *Ancylostoma ceylanicum* Infection in Dogs and Cats by Using Immunoblot Technique
P. Tiweethawongsurat, S. Chungpivat

A41 Cryopreservation of Goat Semen in Extenders Supplemented with Different Concentrations of Equex STM Paste

A42 Protein Expression of L-Type Amino Acid Transporter-2 (LAT-2) in Porcine Mammary Tissue; Physiological Regulation at Early and Peak Lactation
B. Thongsong, S. Kalandakanond-Thongsong, A. Runsgipat

A43 Efficacy of *Salmonella* Control Points in Slaughter Processing of Hazard Analysis and Critical Control Point (HACCP) Certified Pig Slaughter House
B. Trakanwiradet, M. Biaklang, T. Dumrongwattanaphokin

A44 Lipid Peroxidation During Storage of Boar Semen; Comparison of Microplate and Cuvette Spectrophotometric Assays.

A45 Cell Cycle Analysis of Cultured Skin Fibroblasts from the Asian Golden Cat (*Pardofelis temminckii*), Marbled Cat (*Pardofelis marmorata*), Leopard (*Panthera pardus*) and Siamese Cat (*Felis catus*)
M. Wittayarat, A. Thongphakdee, K. Saikhun, K. Chatdarong, T. Otoi, M. Techakumphu

A46 Combination of Dimethylsulphoxide and Ethylene Glycol Improves Survival of Preantal Follicles after Ovarian Tissue Vitrification in Domestic Cats

A47 The Incidence and Fecal Shredding Study of *Lawsonia intracellularis* from Fattening Swine Farms in Thailand in 2009
S. Nitikanchana, S. Anekthanakul, K. Tirapattanapun, C.J. Gebhart, A. Nuthaprasert
